EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

The abstract has been amended by incorporating it into a single paragraph. The complete abstract is provided as follows:

ABSTRACT

The invention provides an apparatus for splitting a substrate apart, the substrate comprising two adjoining wafers defining between them a cleavage plane, the apparatus being characterized in that it comprises:

means for feeding splitter means with a plurality of substrates disposed in a substrate-storage direction;

splitter means for splitting apart wafers of the substrates, the splitter means comprising moving jaws; and

means for performing controlled displacement of certain substrate wafers after they have been split apart in a direction that is substantially parallel to the substrate-storage direction, whereby the apparatus is suitable for splitting apart the plurality of substrates. The invention also provides an associated splitting method.
